Request for Statement of Qualifications – Solid Waste Management Research

The NORTEX Regional Planning Commission is seeking to contract with a competent engineering firm that has experience working in Research of Solid Waste Management, especially as related to multi-county regions, small-urban and rural areas, and projects located in Texas.

Procedures used in selecting and contracting with engineering consulting firms will be in accordance with the Professional Services Procurement Act. Responding firms will submit a Statement of Qualifications that will be evaluated and ranked in accordance with the selection criteria presented in Section II, Statement Evaluation Criteria, of this Request for Qualifications (RFQ.) The most qualified providers will be selected for further negotiations.

Requests for a Statement of Qualifications package may be obtained by contacting:

Markus Thomerson, Community Development Coordinator
NORTEX Regional Planning Commission
4309 Jacksboro Hwy, Suite 200
Wichita Falls, TX 76302
